

President's Message

Dear Members,

On behalf of TCA Executive Committee, I welcome all members to our annual pilgrimage to Our Lady of Fatima Shrine. I thank all EC /GB members who helped and volunteered to make this rosary/ procession/mass successful. Congratulations to all those who are graduating this year. We've planned to have many meaningful events and activities for the youths. Please contact Mrs. Shanthi Thangaraj to enroll your youth kids to these programs.

Our last mass and GB meeting was held at Mary Mother of God, Hillsborough on Apr 10th. Mr. and Mrs. Lawrence Jesurajan's kids Kayal and Nithila received First Holy Communion and Baptism respectively during the mass. Also we celebrated Tamil New Year during that mass in which all GB members actively participated in the programs.

Please mark your calendars for our annual summer picnic on July 16th which will be held in Johnson Park, Piscataway. Have the best summer season and enjoy the outdoors!

Yours,

James Rethinam

The Importance of Mary

By Angelin James

The Blessed Virgin Mary's importance in our spiritual lives cannot be underestimated. Through her intercession, Jesus was able to perform his first recorded miracle, the changing of the water into wine at the wedding of Cana. It is also how we receive the tremendous blessings from God.

Mother Mary should be an example for us throughout our daily lives. When the Archangel, Gabriel asked her to be the mother of our Lord, Mary did not have to think twice when she told that she would be honored to be the mother of Christ. She faithfully obeyed the will of God and was the only human to live without sin.

One way you can keep the Blessed Virgin Mary in your heart this summer is by praying the rosary daily. This will strengthen your relationship with Mother Mary as well as your relationship with God. The rosary has touched many people through both spiritual and physical blessings. Another way to keep The Blessed Virgin Mary in touch this summer is to spend some in prayer alone with Mother Mary. Through her intercession, you can receive many wonderful blessing from God.

Congratulations...

Congratulations to Jonathan Ligo on completing his second master's degree: M.S. in Mathematics, University of Illinois at Urbana-Champaign along with his first degree: M.S. in Electrical and Computer Engineering, University of Illinois. Good luck in all your future endeavors!

Congratulations to Nitheesh Thangaraj on his graduation from J.P. Stevens Point High School, Edison NJ. He will be going to Rensselaer Polytechnic Institute in Troy, NY. Best of luck in perusing your interests of computer science and mathematics of operations research!
